[A return to Ham Radio](#)

My dad was thinking about whether I'd have any interest in his Ham Radio callsign when the time comes that he becomes a silent key.

[AFØAJ](#)

[A brief history of barbed wire fence telephone networks](#)

In need of a practical way to overcome social isolation; communicate emergencies, weather, and crop prices; and chafing under attempts to curtail free speech, ranchers and farmers began to take

advantage of the growing ubiquity of both telephone sets and barbed wire fencing.
